JOINT STATUS REPORT

Per the Court's request, the parties submit the following joint status report regarding a proposal for handling the claims of the remaining plaintiffs in these cases, in advance of the upcoming telephonic status conference on February 15, 2022 (ECF No. 467). The parties have conferred and have agreed to jointly request an additional three-week timeframe in which to work together to attempt to present the Court with dismissals of all remaining claims by the end of that three-week period. The parties further propose that, if at the end of that three-week period the parties are unable to achieve a complete dismissal of the entirety of this litigation, they will, on or before March 4, 2022, submit a joint status report with their joint proposal, or individual proposals if they cannot agree on a joint proposal, for the future course of these matters.
